BEAUTY AROUND THE WORLD

Hello everyone and welcome to the final edition of Outreach Notes for AY 2015-16. Wow.

In keeping with tradition, this one is all about pictures and the pictures are all about beauty around the world. The first link takes you to a photo essay by Mihaela Noroc, a woman who travels the world to capture the essence of beauty across cultures which she then publishes on her blogsite "An Atlas of Beauty". Her goal is to record beauty as it is perceived in different countries. Fascinating.

The other links are fast and fun looks at a century of beauty (mostly hairstyles) in China, Korea and Japan.

And the last link is to a slide show of the 2016 Met Gala Red Carpet fashion. Beauty and style in contemporary America.
